The Jersey Pine Cruisers will be raising funds and providing an opportunity for local seniors to get wild and ride the streets of Des Plaines on the back of a JPC bike.

On Saturday, July 17th we will be outside the two local Jewel Food stores raising funds to support the senior center. They have experienced serious cut backs in charitable contributions and community funding with the difficult economy. A sign up sheet is available to man two tables at the two locations. Bring your bikes and draw a crowd.

On Saturday, July 24th, we will gather outside the senior center at 12:30 and at 1:00 we will offer rides around the block and around the town for seniors who have signed up for the event. And the sign-ups are coming in already. They really miss our presence in the annual 4th of July parade. The senior center will be running a bake sale and 50/50. Local vendors are contributing hot dogs, burgers, chips and soft drinks.

Invitations have already gone out to the community and the hope is that we will draw a crowd of seniors and their families and help the center raise some money. And it won't hurt our standing in the community.
