

# VOLUNTEERS NEEDED

## FLAGS FOR VETS

*"The measure of a man may be his willingness to serve his country...*

*the measure of a country, its willingness to honor those who served."*

Each year, the Des Plaines American Legion Post 36, the Sons of the American Legion Squadron 36, the Veterans of Foreign Wars Post 2992, veterans and volunteers and all over the Chicagoland area honor our local deceased veterans by placing over 4000 flags at their headstones at All Saints Cemetery in Des Plaines. This could not be done without volunteers. We need your help.

Volunteers will be assigned sections of the cemetery and provided flags. Flags will be placed in front of any veteran's headstone. Instructions will be given as to how to identify the veteran's headstone as well as how to place the flag. A brief ceremony will kick off the event.
